

Johnson City Transit Directions for Texting Bus Stop Departures

Get bus departure times by text. Anytime. Anywhere.

Texting your route and stop number to JCTS will provide you with the next bus departure time for any given stop (see sign example below).

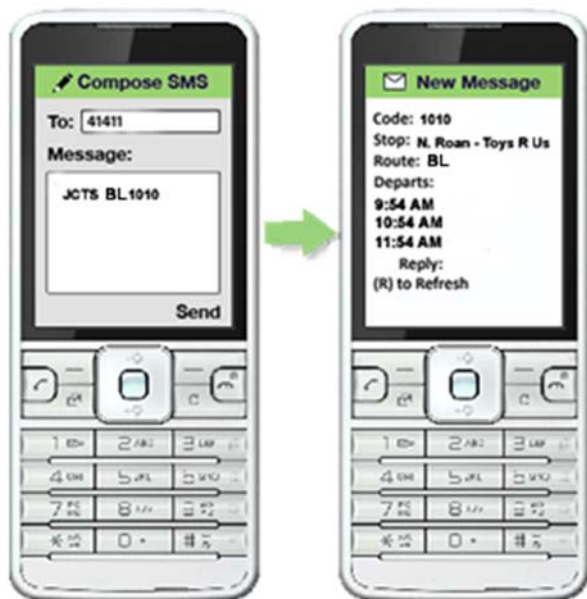

Step 1: Find your route number and bus stop ID. This information will be located on the bus stop sign.

Step 2: Text "JCTS" followed by the Stop ID and Route to 41411*

Example: If you are at stop 1012 on route BL, you would text JCTS BL 1012 to 41411 (see examples below).

Step 3: Receive next departure time.

****Note:** To refresh departure times, simply reply "R" to the text received from JCTS. For example, if a text was sent 15 minutes before scheduled departure, the time in the first text may change due to traffic, construction, or other issues. To insure you have the most accurate departure time please reply R and send to receive updated departure times.

*Standard carrier charges for text messaging may apply
